

What role does your AJET Chapter play in your community? Or what role should it play?

What are the needs of a new JET? How can you help address those needs?

What are the needs of returning JETs? How can AJET meet their needs?

What was your favorite AJET event or non-JET/work related experience in Japan? What did you like about this event?

What was your least favorite AJET event or non-JET/work related experience in Japan? What can you learn from this experience?

How will you share your specific skills and passions with the JET community this year?

AJET Goals for the coming year:
