

# Girl Scouts of Kyoto Japan

Hello JETs! My name is Erin and I am a former JET and I currently live in Kyoto. I am the leader of the US Overseas Girl Scout troop based here in Kyoto City. We'd love to have some volunteers for our troop if you are interested!

We are a multi-age troop and have 6-13 year olds. We are a US based troop but we have girls of all nationalities in our troop. Basically we are an international troop. We are friends with the Japanese Girl Scouts but are not a part of their program. Although, you should totally volunteer for them, too!

We meet after school here in Kyoto City at about 4:30. So, if you are in the city, you could hop over and see us right after you get out of school. But if it is not feasible for you to attend our weekday meetings, we do have weekend events and other activities and camps as well.

If you are interested in volunteering with Girl Scouts in Kyoto, please send me an email at:

and we will contact you ASAP! Thanks so much!
